#### **Services Provided**

Prairie Center Metropolitan District No. 7 (District) is a quasi-municipal corporation located in the City of Brighton, Adams County, Colorado and is governed pursuant to the provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District was organized on June 6, 2006, concurrently with Prairie Center Metropolitan District Nos 3-6 and 8-10, pursuant to an order and decree of the Adams County District Court. The Service Plan for the District was approved by the City of Brighton on February 21, 2006, modified on November 13, 2006, and amended and restated on November 4, 2008, and modified on April 14, 2013.

The District was established to provide financing for the design, acquisition, installation, construction and completion of public improvements and services, including streets, transportation, drainage improvements, traffic and safety controls, park and recreation facilities, water, sewer, television relay and translation and mosquito and pest control services. The District is authorized to operate and maintain any improvements not otherwise conveyed to the City or other entities.

During elections held on May 2, 2006, a majority of the District's electors authorized general obligation indebtedness of \$6,790,000,000, for the above listed facilities, intergovernmental agreements and debt refunding. Additionally, on May 2, 2006, the District's voters authorized the District to collect, retain and spend all revenues in excess of TABOR spending, revenue raising or other limitations.

Pursuant to the Service Plans of District Nos. 2–10, the maximum aggregate principal of debt that may be incurred by all of such Districts, together with District No. 1, collectively, is \$750,000,000.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. Section 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

#### Revenues

#### **Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August, and generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

#### **Specific Ownership Taxes**

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 6% of the property taxes collected.

#### **Interest Income**

Investment earned on the District's available funds has been estimated based on historical interest earnings.

#### **Operations and Administrative Costs Transfer Fees**

The District established an operations fee on each residential lot along with a one-time administrative costs transfer fee upon closing to cover the costs of operations and maintaining the District improvements. In 2025, the District increases the operations fee to \$788 per year and the administrative costs transfer fee to \$500 per closing.

### Facilities Fees, Credit PIF, Add-On PIF, Drainage Impact Fees, Rebated City Fees, and Neighborhood Park Impact Fees

The District entered into an Intergovernmental Agreement Regarding Assignment of Revenues (the IGA) with Prairie Center Metro District No. 3 (District No. 3). Per the IGA, District No. 3 agrees to transfer to the District its rights to receive revenues as set forth in the IGA that are directly attributable to Village I. District No. 3 is relieved from providing any public improvements or management services related to Village I as it is being developed by the District, separately from the remaining development.

#### These assigned revenues include:

- Facilities Fees being assessed for the use of the District's improvements. The facilities fee is \$3,000 per single-family, detached dwelling unit, due on or before the date of issuance of a building permit by the City of Brighton.
- Credit and Add-On PIF being assessed on use tax transactions and collected at the time of building permit issuance. The Credit PIF is calculated as 1.25% of 50% of the project valuation. The Add-On PIF is calculated as 1.00% of 50% of the project valuation.
- Drainage Impact Fees the City of Brighton shall reimburse the District, on a quarterly basis from building permits issued, for the design, financing and construction of the stormwater improvements.
- Rebated City Fees the City of Brighton shall remit a per-lot rebated fee to the District, on a
  quarterly basis from certificates of occupancy issued, in the amount of \$6,756.75 per singlefamily residential lot for a total reimbursement not to exceed \$2,500,000 at the completion of
  the Village 1 Subdivision.

#### **Debt and Leases**

#### **Limited Tax General Obligation Bonds, Series 2020**

The District issued Series 2020 Limited Tax General Obligation Bonds on August 12, 2020, in the par amount of \$12,225,000. Proceeds from the sale of the Bonds will be used to finance a portion of the costs of constructing certain public infrastructure to serve the Development and certain other property within Prairie Center and repay advances made by the Developer to the District to construct such public infrastructure. A portion of the proceeds of the Bonds will also be used to fund: (a) the Reserve Fund, (b) capitalized interest on the Bonds; and (c) costs of issuing the Bonds. The Bonds will be issued as two term bonds. The first term bond bears interest at 4.125% and matures on December 15, 2036. The second term bond bears interest at 4.875% and matures on December 15, 2044. Interest on the Bonds is payable semi-annually on June 15 and December 15 ("Interest Payment Dates"), beginning on December 15, 2020, to the extent of available Pledged Revenue.

The Bonds are structured as "cash flow" bonds, meaning that no regularly scheduled payments of principal are due on the term Bonds prior to their respective maturity dates. Instead, principal is payable on each June 15 and December 15 from available Pledged Revenue, if any, pursuant to a mandatory redemption, after paying interest due on such Interest Payment Date and after funding in full interest coming due on the next Interest Payment Date (the "Subsequent Interest Payment Date"), less any amounts on deposit in such account, including any deposits from capitalized interest. To the extent principal of any Bond is not paid when due, such principal shall remain outstanding until paid. To the extent interest on any Bond is not paid when due, such interest shall compound semiannually on each Interest Payment Date, at the rate then borne by the Bond.

The Bonds are secured by and payable solely from Pledged Revenue, which includes property taxes derived from the Required Mill Levy net of the cost of collection, Specific Ownership Taxes attributable to the Required Mill Levy, Pledged PIF Revenues, PILOT revenues (if any), and any other legally available moneys of the District which the District deposits with the Trustee for application as Pledged Revenue. The forecast does not include Pledged PIF or PILOT revenues. The Bonds are also secured by amounts held in the Reserve Fund in the amount \$812,672.

#### Subordinate Limited Tax General Obligation Bonds, Series 2021

The District issued Subordinate Limited Tax General Obligation Bonds (the Subordinate Bonds) on November 30, 2021, in the par amount of \$3,990,000. Proceeds from the sale of the Subordinate Bonds were used to repay advances made by the Developer to the District to construct such public infrastructure to serve the development and certain other property within Prairie Center, and to pay costs of issuing the Subordinate Bonds.

The Subordinate Bonds bear interest at the rate of 6.375% per annum and are payable annually on December 15, beginning December 15, 2022, but only to the extent of available Subordinate Pledged Revenue. The Subordinate Bonds are structured as "cash flow" bonds meaning that there are no scheduled payments of principal or interest prior to the final maturity date of June 15, 2046. Principal on the Subordinate Bonds is payable on each December 15 from, and to the extent of, Subordinate Pledged Revenue available 45 days prior to such December 15.

Accrued unpaid interest on the Subordinate Bonds compounds annually on each December 15 until sufficient Subordinate Pledged Revenue is available for payment or until discharged. In the event that any amount of principal or interest on the Subordinate Bonds remains unpaid after application of all Subordinate Pledged Revenue available therefor on December 15, 2056, the Subordinate Bonds will be deemed discharged. No payments are permitted to be made on the Subordinate Bonds until the 2020 Senior Bonds and any other Senior Obligations issued by the District have been paid in full or defeased.

The Subordinate Bonds are secured by and payable from moneys derived by the District from the following sources: (a) all Subordinate Property Tax Revenues; (b) all Subordinate Specific Ownership Tax Revenues; and (c) any other legally available moneys which the District determines, in its absolute discretion, to credit to the Subordinate Bond Fund.
